

APPRENTICE PROGRAM APPLICATION

You are invited to participate in the Dance It Out Apprentice Program either as an Office Admin Apprentice or Teacher Apprentice. Our unique and practical program gives participants an inside look into the field of dance education that helps develop time and task management skills, problem solving, social skills, responsibility, and accountability. In addition to personal accomplishment, the Dance It Out's apprentice program will enable students to receive volunteer hours, eligibility for college scholarships, eligibility to have a career at the studio, and resume building skills. All apprentices must apply for the program.
