

COVID SAFETY PROCEDURES

We have been working closely with local doctors and an epidemiologist to create our safety procedures.

Studio Updates

- Air purifiers have been placed in each room
- Weekly professional cleaning
- Option to virtual learn through Zoom
- Smart televisions installed in every studio
- All props, chairs, mats, etc. used in class will be sanitized
- Temperature checks and COVID screening upon entry
- Lobbies are closed
- Staff and dancers 9+ are required to wear masks when entering/exiting the building or in communal areas
- Light to no contact for administrative processes

Students are **REQUIRED** to bring:

- Yoga mat
- Water bottle (labeled with name)
- Dance bag (labeled with name and emergency contact)
- Towel or barre sleeve
- Hand sanitizer

**Masks and snacks are recommended **

More Information

danceitoutva.com

email us: danceitoutstudios@gmail.com

Entering the Studio

- No parents are allowed in studio
- Check in with attendant
- Attendant will
 - ask questions about current health
 - take temperatures
 - **dancers with temperatures greater than 99 degrees will be sent home**
- Sanitize hands
- Enter the lobby
- DO NOT WEAR DANCE SHOES OUTSIDE
- Take off shoes and put shoes into dance bag
- Bring dance bag into dance room; sit in chair and put dance bag under the chair
- Find a marked space and put yoga mat in marked space

Exiting the Studio

- Staggered release of classes
- Parents must wait outside on sidewalk
- All staff and students must sanitize hands at the end of class
- Student should grab dance bag, sit in chair, and wait until the instructor instructs you to enter the lobby
- Put street shoes on and put dance shoes inside dance bag
- Students will be released to parents one at a time
- Check out with the attendant
